TO PLAN LOCAL PARTICIPATION IN ANNUAL SAN MATEO COUNTY PRODUCTS AND FLORAL FIESTA

Event This Year Will Cost $50,000—Prize And Premium Awards

Residents of Daly City this week are planning participation in the 1937 Products and Floral Fiesta of San Mateo County which will be held at Bay Meadows, San Mateo, from Septembtr 23 through September 26.

Always active in the county show, which annually attracts more than 50,000 visitors, Daly City officials are now planning for their participation this year. Floor space for exhibits will be placed on sale shortly.

Plans for the festival, now in its third year, have already been announced by the general manager following weeks of careful, tedious planning by the Fiesta Board of Commissioners.

TO COST $50,000

The event this year will cost $50,000, of which $20,000 will be dispersed in cash premiums and trophies. Reservations for more than half the floor space have been received already, before public salt is offered.

With a Spanish theme, the 1937 Fiesta will endeavor to present not only the marvelous industrial and agricultural displays, but will also attempt to bring forth much of the colorful historical background of

Leading Industries Feature Of Fair

Leading industries of California are to be featured in a ten day pageant at the California State Fair in Sacramento, September 3 to 12.

Each day of the fair will be devoted to either an industry or activity including agriculture, press, churches, fruit, radio, motion picture, manufacturing, livestock, mining and education.

Governor Day, one of the traditions at the fair, has been changed from Thursday to Friday. The change breaks an 82 year old custom and was necessary because Admission Day this year falls on Thursday.

An electrified sign was erected last week over the main entrance to the grounds. It is more than 40 feet long with block letters three feet high. The sign, carrying the name and date of the fair, was used for inaugurating the new slogan, "The fair has gone modern."

Clay Crowns Queen At Celebration

Judge Wade H. Clay, justice of the peace of the First Township, officiated at the Brisbane Fourth of July celebration held Sunday and Monday of this week.

Following a three week queen program sponsored by Brisbane merchants, Judge Clay crowned, Sunday, Violet Blanchard as "first lady of the celebration." Monday the Judge awarded cups and prizes to parade entry winners.

COUNTY VALUE IN PROPERTY UP FIVE MILLIONS

Tax Assessor Sets Holdings Near $100,000,000—Utilities Excluded

As fixed by the tax assessor this week, the value of San Mateo property was boosted approximately $5,000,000 from the 1936 level. It now stands at $98,806,000, exclusive of utilities.

This sum was approved by the Board of Supervisors at a special meeting. They met a second time early this week as a Board of Equalization to hear possible complaints on the assessments. The new figures set by the assessor will not be fixed definitely until the state Board of Equalization approves them in August.

The assessor estimates utility properties will add another $12,000,000,

COUNTY OFFICE BUILDING GETS TENTATIVE OKEH

Congress Labels 230 State Projects "Technically Eligible"

Under the new two year program authorized by Congress the San Mateo County request for an $81,818 PWA grant for a new county office building, which it was planned would be located on Marshall street across from the court house in Redwood City, is one of 230 California projects "technically eligible" for allocations.

As word of the favorable appropriation status of the project was received, however, three members of the Board of Supervisors were reported favoring abandonment of plans to build the annex in favor of enlarging the present court house structure.

HELD TOO COSTLY

This was revealed by the chairman of the board, who said the three members believed an annex, as proposed by the board last year, would be inefficient and too costly.

"If it were feasible to change plans so that the federal money could be secured to bulid an addition onto the back or front of the court house as it now stands we would favor it," the chairman said.

Either a modern building could be constructed on what is now the court house front lawn, with the actual court house remaining in the rear and simply added onto the new structure, or the present court house facade and building could be left untouched and the addition built on the rear, it was suggested.

The listing of the office building grant as "technically eligible" gives it preferred status on PWA rolls, it was explained.

If all the $159,923,946 worth of projects should be allotted funds by the governemnt, the total contribution would amount to $65,271,819, including grants totaling $60,433,800 and loans aggregating $4,838,000.

PW9 officials estimate, however, that only about one-half of the 5725 projects on their final approved national list actually will share in the program, due to lack of funds.

Rodeo At Salinas Motor Travel Lure

Interest is running high in the approaching California Rodeo and Horse Fair at Salinas, July 15 to 18, and the event promises again to attract heavy motor travel as in past years. Inquiries concerning the Salinas rodeo from motorists planning trips bear out this indication, it is stated.

Many expert cowboys and cowgirls, including worlds champions in various major events, will appear on the rodeo program. The list of popular rodeo events will include bronco riding, steer roping, trick and fancy riding and roping, calf roping, steer decorating, wild horse races, stage coach races, relay races and contests for amateurs.

"Big Week" as rodeo time in Salinas is known, is a period of gayety and community celebration. Citizens appear in sombreros, high-heeled boots, and multi-colored shirts. Music and pageantry are featured in a lively celebration.

Spanked–Gets Mad · Ran Away–At Home

He was spanked for being disobedient, became angry, ran away from home to live for three days in brush at the corner of Alemany boulevard and Skyline, ate vegetables filched from Italian gardens, was discovered by Deputy Sheriff E. Winters and returned quite willing to his home.

The nine year old runaway was Louis Maxferd, 3162 Turk street, San Francisco. He ventured on his own, Sunday evening, and succeeded in evading searchers for him till Wednesday morning of this week.

National Horse Show Draws Socialites

Miss Dorothy Nellis is pictured in a combination sun-tan and riding outfit which she will wear at the San Mateo County National Horse Show, August 7-14. The exhibition will be at the Menlo Circus Club in Atherton, Cal., where noted show stables of the Pacific Coast and middle west will be represented.

DALY CITY GIRL BIDS FOR HONOR IN STATE RODEO

Melba Warren To Represent San Mateo County And Compete In Show

In compliance with a proclamation by Governor Merriam, a high school girl has been chosen to represent San Mateo County and enter competition at the California Rodeo Horse Fair and Stock Show to be opened at Salinas, Thursday of next week. The girl is Melba Warren of Daly City, junior at Jefferson Union High School.

California state executives and California newspaper publishers will be guests of the rodeo to witness competition, and the winning outdoor high school girl will be awarded a certificate which entitles her and her mother to a trip to Mexico City. The award will be made on credits given for horsemanship, outdoor appearance and personality.

ANNUAL EVENT

The state rodeo at Salinas is an annual event to which nearly every county in the state sends a representative to compete for the title of "Outdoor Girl." The young women who represent the counties are chosen by preliminary contests staged throughout the high schools of the state.

Miss Warren and her mother will leave here for Salinas on Wednesday of next week. Transportation was furnished them by a member of the Board of Supervisors of San Mateo County.

Local Band In Top Shape For Concert

"In the best shape it has ever been for a concert," was the comment of George E. Brenner, conductor, in an interview with a Record reporter this week. Brenner referred to the Daly City Band concert sponsored by the local merchants association and scheduled for presentation July 17 at the high school auditorium.

Popular band numbers will be featured in the concert. The score will include music from Alexander, Suppe, Filmore, Horlick, King, Panella, Barnhouse, Gustin, Missud, Eisenberg and Sousa.

This week a committee of merchants are selling advertising for the concert program. Revenue will be used to purchase new music and to finance activities of the band.

COUNTY FIESTA HEADQUARTERS TO BE OPENED

Placed At Same Location In San Mateo As Last Year

Headquarters for the San Mateo County Products and Floral Fiesta will be officially opened, Monday of next week, at 116 B street, San Mateo, seat of the annual festival's planning last year.

Assisting Chester Lipman, general manager, has been named Mrs. Velma Coggburn, well known throughout the county as a public stenographer, whose appointment was ratified by the Fiesta Commission.

As in the past, the Daly City Record has been cited as publicity agent for the fiesta in this district. The general publicity bureau, also as last year, will include only newspapermen who are well known throughout the county.

Heading publicity this year is Francis A. Raymond, staff correspondent on the peninsula. Publicity for The Record will be handled by William B. Pedigo, known here for his work on the Burlingame Advance.

Others on the publicity bureau are Geoffrey Corrall, San Mateo, and Fred Glover, Redwood City.

Last year, with approximately the same publicity bureau, the fiesta received 18,000 inches of newspaper and magazine stories.

Meanwhile the Fiesta Commission, under Bruce Gibson, president, faced the big task of arranging last minute details for the mammoth show, which will be held at Bay Meadows from September 23 to 26.

Local People Spend Fourth On River

The Russian River home of Ed Dale at Hollydale Park was the scene last week end for recreational activities of several local families.

Guests at a dinner party were the Nicolini, Cavagnaro, Linden and Dale families, Mrs. Rassmussen, A. Rovengo, M. Reardon, H. Mendelson and G. Donati.

It was reported that Andy Rovengo and Mike Reardon are good dish washers and house cleaners, Gus Donati is an excellent cook and Harry Mendelson is an expert shopper.

FIRST MAJOR UNIT OF COUNTY JAYSEE WILL BE SCIENCE LABS OF FIRST CLASS CONSTRUCTION

Contracts For Site Grading Have Already Been Let—Plan Specifications

First major unit of the new San Mateo Junior College plant near Peninsular and Delaware avenues in San Mateo will be a first class construction, earthquake proof, reinforced concrete science building.

This was the unanimous decision of the Junior College Board of Education following recommendation from the building and grounds committee.

ORDER DETAILED BIDS

Necessary contracts for grading the site have already been let and the architect has been instructed to proceed immediately with detailed plans and specifications for the science unit. Bids will be called soon.

The building committee has exhaustively studied the problem of the first construction and at the same time is attempting to protect taxpayers interests it was announctd.

The new building will be two-story with approximately 40,000 feet of floor space. Although other classes will be conducted in the building when it is completed, the building will house, primarily, the biological,

HOME SPRINTERS ARE DOING WELL AT BADEN CLUB

San Mateo County Grey Hounds Making History In Speed Events

When Baden Kennel Club opened in 1932 the few California racing dogs then in the area were in the main outclassed by the swift eastern dogs, who came west to establish virtually all of the south San Francisco's track records. As the 1937 season progresses it is apparent that the California dogs have elevated themselves to supremacy, and that three San Mateo County greyhounds rank is the fastest on the Pacific Coast.

Top two dogs off the records to date are Andrew's Pride and Mike Andrews, famous "gold dust twins," owned by Peter J. Olmo of Colma. Andrew's Pride is a 63 pounder now at the peak of his form. He won the Inaugural Handicap and the San Francisco Stake. Mike Andrews won two of the other title events, the Peninsula Stake and the San Francisco five dog match, setting the fastest time of the meeting for the five-sixteenths mile distance in the latter.

Doctor Vance, a young dog owned by E. B. Pate of Burlingame, is the third ranking greyhound at the meeting, winning five of his first six starts, including the Fiesta Derby.

The only other title event at the meeting was the Independence Special, run last Saturday and won by Beau Barry, the hurdle flash.

Baden's photo finish camera continued to provide the thrills for the fans this week, depicting close finishes which drew the plaudits of the crowds.

The "big dogs" will probably be seen in action again tomorrow night, as the contest for the season championship continues. And in the thrilling contest, three San Mateo County greyhounds may run one-two-three.

Community Hospital Fund Is Named

San Mateo Fundamercy is the name selected for the Community Hospital benefit fund, it was announced this week by the chairman of a recent contest committee which solicited suggestions for a specific title by which the benefit fun dmight be known.

M. F. Desmond, U. S. Veteran Hospital, Livermore, submitted the name "Fundamercy" and was awarded first prize by the committee.

OUR HOME TOWN BALL CLUB BEAT YOUNTVILLE VETS

Daly City Tanforan Wins In Ten Innings After Trailing Most Of Game

Showing plenty of punch in their game last Sunday at the Yountville grounds, the players of the Daly City Tanforan ball club returned home with a victory by a score of 13 to 11.

Trailing throughout most of the game, our home boys tied the count in the seventh inning and cut loose with a barrage of six base blows in the tenth which netted six markers, proving enough to seal the contest.

The Yountville town team was recruited principally from semi pro players from the east side of the bay. They proved tough customers, but were unable to secure sufficient runs in their half of the tenth, although

Daly City Council Holds Special Meet

Mayor G. Selmi called a special meeting of the Daly City Council, Tuesday evening of this week, to call for bids on a new well to be situated at the pump house, Citrus and Niantic streets. This well, to be approximately 450 feet in depth, will add to the efficiency of the Daly City Water Department.

Bids will be opened, July 26, before members of the council.

DEATH TOLL IS 589 ON SAFEST SANEST JULY 4

Actual Fatalities And Hurts Fall Below Estimates Of Safety Council

The "safest and sanest" Independence Day celebration in years was recorded last week end on records of police and coroners throughout the nation.

A survey of the United States showed 589 violent deaths during the three day celebration. The toll was expected to approach 650 with deaths of many of those injured, and with filing of reports from outlying districts. National Safety Council sta-

COUNTY VALUE IN PROPERTY UP FIVE MILLIONS

Tax Assessor Sets Holdings Near $100,000,000—Utilities Excluded

(Continued from page 1)

as compared to $11,588,160 last year, to bring the total value of county holdings to approximately $111,950,760.

Last year the county valuation was $93,904,890 without utilities.

TO AID TAX RATE

The increase in valuation, besides marking growth in the county, will reflect favorably in the tax rate next year, since there will be more property value to be taxed.

San Mateo, with a gain of $1,179,285 over 1936 values, showed the largest increase of the peninsula communities. Burlingame, with a rise of $712,625, was second, with the Hillsborough $501,455 growth third and a Redwood City $403,850 increase fourth.

The following figures present the complete valuation picture of the county, with 1937 values being given first, then the values as fixed last year, and the comparative gain or loss.

Bayshore City, $270,070, $299,945, loss $29,870; San Bruno, $2,432,645, $2,307,010, gain $125,635; Daly City, $3,752,325, $3,635,285, $117,040; San Carlos, $2,002,675, $1,852,310, $150,365; Burlingame, $11,731,500, $11,018,875, $712,625; Redwood City, $6,785,260, $6,381,410, $403,850.

San Mateo, $13,650,870, $12,471,585, $1,179,285; South San Francisco, $4,959,060, $4,833,650, $125,410; Hillsborough, $11,584,645, $11,083,190, $501,455; Atherton, $4,749,485, $4,594,515, $164,790; Menlo Park, $1,794,145, $1,680,860, $113,285; Lawndale, $633,390, $632,495, $445; Belmont, $1,065,695, $983,540, $82,155.

Unincorporated cities valuation increased from $32,129,770 to $33,384,560.

TOTAL VALUE 223 MILLION

All these figures are based on the usual assessment of 50 per cent of the actual value of the property, indicating that the actual total value of the county property is nearer $223,901,520, according to the assessor.

Solvent credits, non-assessable, were figured at $1,144,430.

The supervisors will continue for two weeks to meet each afternoon as a Board of Equalization to hear complaints on the assessments.

To Form Club

At the last meeting of Court St. Marys, Catholic Daughters of America, a celebration was planned for the seventh birthday of the court and all members are requested to attend and enjoy a pleasant evening.

A Pals Club will also be formed at this meeting.

Notice Of Sheriff's Sale

By virtue of an execution, issued out of the Superior Court of the City and County of San Francisco, State of California and dated the 10th day of June, A. D. 1937, in an action in which the Plaintiff Grace Mildred Heegstra on the 9th day of May, A. D. 1934, recovered judgment against H. Walton Heegstra, Defendant, providing for the payment by the Defendant to Plaintiff of the sum of $125.00 per month on the 15th day of each month commencing on the 15th day of May, 1933 and there being due and owing to the Plaintiff by the Defendant on the 10th day of June 1937 the sum of $3365.00 on said Judgment in Lawful money of the United States of America, and costs of suit.

I have levied upon property described as follows, to-wit:

Lots 1,2,3,4 and 38 in Block 14 as designated on the map entitled "REVISED MAP SALADA BEACH SAN MATEO CO. CAL.," which map was filed in the office of the Recorder of the County of San Mateo, State of California, on August 5, 1907, in Liber 5 of Maps, at page 20.

Notice is hereby given, that on Monday, the 12th day of July A. D. 1937, at 11 o'clock A. M. of said day at the main entrance of the County Court House in the City of Redwood City, in the County of San Mateo, State of California, I will sell all the right, title and interest of said Defendant in and to the above described property at PUBLIC AUCTION, for cash in Lawful money of the United States, to the highest and best bidder, to satisfy said Execution and all costs.

Dated at Redwood City, this 15th day of June, A. D. 1937.

QUEEN ELEANOR ENJOYS SCENIC TOUR OF SOUTH

Trip Will Include Yosemite, Catalina, Hollywood And Long Beach

(Continued from Page 2)

Eleanor, is accompanying her daughter on the motor tour.

RECEIVE LETTER

First point of interest to Miss Price was the famous mission at Santa Barbara, according to a letter received by the secretary of the local fiesta committee, Wednesday of this week.

In her letter Miss Price said: "I certainly am enjoying this wonderful trip—every moment of it. I wish to thank all the merchants of Daly City who made it possible."

Thursday of this week Miss Price was enjoying the recreational facilities of Long Beach, famed as the aquatic playground of Los Angeles County. Today she is seeing life at the bottom of the sea through sea windows of the glass bottom boats off Catalina Island, boating, riding over the scenic trails and sightseeing among the famed hills and canyons of Catalina.

TO VISIT STUDIOS

Miss Price will watch production work on several of the major studio sets. She will also make sightseeing tours in Los Angeles and Hollywood.

Final climax to the week of vacationing will be the visit to beautiful Yosemite National Park.

Miss Price expects to return to her home in Colma, Wednesday of next week.

Mountain Trip

Mr. and Mrs. Frank McDermott and daughter Anna Mae of Templeton avenue and Mr. and Mrs. Earl Ross and daughters Dorothy and Alice of San Francisco spent the holidays with Mr. McDermott's brother at his cabin in the mountains near Tracy.

Bernard McDermott, who had spent a week with his uncle, decided to remain for another week.

WHIST PARTY

Vista Grande Circle No. 253, Companions of the Forest will sponsor a whist party, Wednesday evening of next week, July 14, at Masonic Hall. Valuable prizes. Mrs. L. Pezzola, chairman.

Viking Acquires American Boy

Directors of Viking Gold Mines, Limited (N.P.L.), advise that the company has acquired clear title to the "American Boy" group of eight (8) full mineral claims, together with all mining equipment and buildings thereon, in the heart of the silver-lead-zinc area of the New Hazelton district.

This property is well known and highly regarded. It was last operated by Solloway Mills in 1929, and was closed down, along with other ventures undertaken by that company, as a result of their business troubles, and also on account of the decline in the value of base metals. It was not re-opened, and did not create interest until the recent recovery of the metal market.

Considerable work has been done to date on four parallel high-grade veins. The property is developed by a shaft 327 feet in ore, with drifts of 450 feet proving the vein system. The average width of the vein is 4 feet, and the average assays show gold .16 oz.; silver 121 ozs.; lead 39 per cent, and zinc 10 per cent.

The last four cars of raw ore, taken out in course of development and shipped to Trail, netted over $7000, after deducting freight and smelter charges.

Plans for a mill are being prepared by W. J. Asselstine, consulting metallurgist, and Andrew G. Larson, as consulting engineer, and satisfactory financial arrangements have been made.

Summer Is Hard Season On Tires

Many car owners attempt to go through the summer season with old and worn tires. They do not realize that summer is a hazardous season in which to tempt disaster through the use of tires which have about reached the limit of service.

Aside from the risk of skidding, winter is a kindly season for the rubber upon which a motor vehicle rolls. It provides temperatures peculiarly designed to prolong the life of rubber. The tire near the blowout stage that may last but a few minutes and a few miles under the torrid temperatures of summer may give weeks of service when it operates on cold pavements in a cold atmosphere.

The gingerly braking of winter driving is much more beneficent in its effects upon old and worn tires than is the violent deceleration from high speeds which is an inevitable feature of summer motor car use.

Under-inflation which tends to produce extreme flexing and high sidewall temperatures is far less damaging in its effects during cold weather.

geological, physical and chemical science divisions.

Selection of the reinforced concrete as construction material was determined by the committee after consulting experts regarding brick, steel and concrete buildings. The concrete was selected because of permanency, earthquake resistance and lower cost, it was said.

"I am very happy to announce this as the next step in our program for the development of our junior college—we promised the people we would not call on them for a bond issue and we are keeping our word," said the retiring board president.

"By watching the pennies as well as the dollars we have bought and paid for a splendid site with adequate space for future development and have laid aside a nest egg which, together with a nominal tax of ten cents per $100, is going to enable us to have one of the finest new buildings which will constitute the new college," he added.

Speeding Is Futile And Also Dangerous

Speeding is not only a dangerous and unnecessary practice, but also futile from the standpoint of time saved. Suppose you wanted to get somewhere five miles away. At 30 miles an hour, it would take you 10 minutes. At 40 miles an hour, seven and a half minutes. Time saved: Two and one half minutes!

Most people wouldn't have the slightest idea of how to use the few extra minutes anyway. And think of the extra chances you have to take to maintain the 40-mile average.

You are urged to obey the speed laws in your community. Let your speed depend upon conditions—the condition of your car, the highway, the density of traffic, the time of day—and don't forget your own condition.

Don't speed. Take time to be careful.

Every field of science, including a new science of recreation, will display its latest advances at the 1939 Golden Gate International Exposition.

REAL PROGRESSIVES SUPPORT ROOSEVELT

By J. W. MARCHBANK
Pioneer in Frontier Mining Work

Heywood Broun has been paying his respects to pseudo-liberals. In the ranks of men often mouthing a good deal of stuff that the uninitiated take for liberalism lurks more danger than in those of out-and-out reactionaries. The man who pretends on the face of things to be liberal, but comes out against the President's plan for the reorganization of the Supreme Court, for example, is hard to cope with. He is supposed to be on the right side, but really is on the other side.

Right to the point on account of the well known divergence of opinion on almost every subject between the President and the Vice President is the following from the well known columnist:

"It has been said that the majority report of the Senate Judiciary Committee against President Roosevelt's court proposals reads more like an impeachment proceeding than a report. There may well be significance in this. There are a great many Democrats who would be delighted to impeach Franklin D. Roosevelt, if that were possible, and put John Nance Garner in his place. The astute Mr. Krock of the New York Times has pointed out the analogy between the present situation and the revolt of the Republican reactionaries in 1920 which led to the nomination of Warren Gamaliel Harding. Plenty of Hardings can be found within the Democratic ranks, and the bourbons of the party would like to have one in the White House by 1941 at the very latest."

* * *

Maury Maverick, who introduced the President's Supreme Court reorganization bill in the House of Representatives, has written his autobiography. One reviewer of the book says pertinently that it is an impudent undertaking inasmuch as the Congressman from Texas may be considered to be just at the outset of his career. It is somewhat like the proceeding of Channcey Depew in presenting his own monument to his birthplace and then making the dedicatory address at the unveiling.

Maverick is of the opinion that his state is just as down-to-date as any other and will not stand for having Texas the frontier. His ancestors went south a long time ago. It was his grandfather, who, by refusing to brand his cattle, put the family name into use as an adjective.

The legislator has the utmost sympathy for the under-dog. In the middle of the depression he was making a good living, but dropped it all to ride the brake-beams with hobos in order to get first hand information on conditions among the so-called submerged.

* * *

One thing that can be learned from the Maverick book is that its author is heart and soul in favor of the establishment of an organization by which the poorest in the community can be assured of medical and surgical attention in case of need.

He says:

"It is a damned outrage that a poor man can't go to a doctor. I went to the Mayos when I needed an operation and their fee was low. Their work was far more than satisfactory. But why can't every man be operated upon when he needs it? Why should people watch their children die? Why should a man in moderate circumstances have to die because he hasn't got the money for an operation and hospital expenses?"

Social Security Board Asks Aid

Following a request made by the Social Security Board, the California Unemployment Reserve Commission announced this week that hereafter monthly returns must be filed with the commission paying contributions to the Unemployment Fund.

Employers are required, according to Rule 37.6, adopted recently by the commission, to start making the monthly return on August 1.

The contributions for the month will become due and payable on that date for the month of July, and will be held delinquent after midnight, August 31.

Similar procedure will be carried through succeeding months, the payments becoming due on the first day of the following month, and delinquent after the last day. Charges on delinquent contributions are set by the law at one per cent per month.

Rule 37.6, which is effective July 27, will be published in the Unemployment Reserves Commission magazine, "Employment News," July issue, which will be distributed about July 10.

Lesson Sermon Of Christian Science

In all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., a Lesson-Sermon will be read Sunday, July 11, on the subject "Sacrament."

The Golden Text will be: "What are these which are arrayed in white robes? and whence came they?. . . These are they which came out of great tribulation, and have washed their robes, and made them white in the blood of the Lamb" (Rev. 7: 13, 14). Bible selections will include the following passage from Matthew 26:-26: "And as they were eating, Jesus took bread, and blessed it, and brake it, and gave it to the disciples, and said, Take, eat; this is my body"

A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included, which reads as follows: "The disciples had eaten, yet Jesus prayed and gave them bread. This would have been foolish in a literal sense; but it was natural and beautiful. Jesus prayed; he withdrew from the material senses to refresh his heart with brighter, with spiritual views" (p. 32).

GIVE SOLDIERS OF WORLD WAR ODD NICKNAMES

"Yanks" And "Doughboys" Favorites For American Men Over Seas

Twenty years ago descriptive nicknames ran riot among the soldiers who took part in the World War. Fanciful titles for regiments or individuals were far more common among our Allies or other troops than they are today.

When the sturdy kilted Highlanders appeared on the Western front they were promptly dubbed "Ladies from Hell." The whiskered French soldiers were called "poilus," which means hairy, and the troops from the Antipodes were known as "Anzacs," a combining form descriptive of Australians and New Zealanders, although the Australians usually preferred to be called "Aussies."

Our allies from over the border were called "Canucks" or "Maple Leaves," the latter being the emblem of their country and pointing to their Canadian origin, while the British "Tommies," immortalized by Rudyard Kipling in earlier years, retained their traditional nickname.

"Blue Devils" was the name of the valiant Chasseurs Alpins, famous French fighting force, while quite naturally the enemy was given such uncomplimentary epithets as "Boche," "Heinie" or "Fritz."

THE "YANKS"

An abortive attempt to pin the title "Sammies" on our troops of the A. E. F. failed miserably, our soldiers prefering the more virile "Yanks" as a generic term for American fighting men, although many of them were satisfied to be called "doughboys," a name which, strictly speaking, belongs exclusively to the infantry. Bluejacket has always been the most popular name for enlisted men of the navy.

Somewhere in France the United States Marines won the title "Devil

SOME CHANGES IN ELIGIBILITY FOR ENROLLMENT

New CCC Regulations For Applicants For Employment

President Roosevelt, recently signed the bill for the continuance of CCC for the next three years.

Effective July 1, the new enrollment begins and the following changes in eligibility requirements will be of interest:

Due to the fact that a very small percentage of applicants are over 21 years of age, the maximum age limit has been reduced from 28 to 23 years.

The clause whereby applicants must represent a family on public relief has been modified. While youths from actual relief families will receive first preference, nevertheless it will now only be necessary for the applicant to show unemployment and need of employment. In this latter group priority of selection will be made on a basis of family need.

No young men with former CCC service totaling two years or more, including all previous enrollments, may be reselected.

Minimum allotments of $22 will be required from all youths with dependents.

Provisions are being made for the enrollment of a limited number of single, unattached young men, who may now file their applications, but authorized until final details cover-whose actual enrollment connot be

A. W. Robertson Opens New Store

A. W. Robertson, Daly City butter and egg dealer for the past six years, opened a new store, Tuesday of this week, at 9 Hillcrest drive. The room, located in the new Masonic Building, is modern and sanitary. It has been partitioned into market and store room.

Robertson was formerly located at 6268 Mission street. He has announced that there will be no change in policy nor goods at the new store.

FIREMEN ASSEMBLY

Members of the Daly City Fire Department met in their monthly general assembly, Tuesday evening of this week, at the City Hall.

Discussion centered about the topic of fire prevention.

Horns In Tunnel Bringing Arrests

Motorists using the Golden Gate Bridge were cautioned in a statement this week against sounding their horns while driving through the Waldo tunnel on the Marin approach highway.

Highway patrol officers are strictly enforcing the state law against unnecessary sounding of horns, as no need exists for use of horns in the tunnel, the statement said. Numerous arrests have been made and fines imposed on motorists who yielded to the impulse to test the resonance of their horns in the tunnel.

The din of horns reverberating from the tunnel not only brought demands for correction of the nuisance from residents of adjacent Sausalito, but created a hazard through confusion to motorists in the tunnel.

EXPERIENCED HOUSEWIFE CLUB

(By Maude Larue Ives)

A new member of our club, Mrs. D. Hunter, 327 Evergreen avenue, sends in an interesting recipe for

TOASTED SPICE CAKE

¾ cup shortening
2 cups brown sugar
2 eggs
1 teaspoon soda
1¼ cups sour milk
2 1-3 cups flour
1 teaspoon baking powder
1 teaspoon cloves
1 teaspoon cinnamon
¾ teaspoon salt
1 teaspoon vanilla

Cream shortening, egg yolks and sugar in one brisk beating. Dissolve soda in sour milk; add milk, alternating with sifted flour and spices. Add vanilla; mix until smooth. Use shallow pan 8 by 12 inches, greased and floured.

Brown Sugar Meringue

Beat 2 egg whites left from cake until they hold a point. Slowly add 1 cup brown sugar and continue beating until smooth. Spread meringue over unbaked cake batter. Sprinkle with ½ cup nut meats. Bake in a moderate oven (350 degrees) for 50 minutes.

This cake is easy to make and as light as a feather.

ORANGE CAKE
(From Mrs. A. Vireno)

½ cup butter or substitute
1 cup orange juice
2 cups sugar
3 cups flour (sifted)
4 teaspoons baking powder
4 egg whites (stiffly beaten)
Dash of salt

Cream butter, add sugar and beat until creamy; add flour and orange juice, alternately. Beat well, then add egg whites. Makes 3 layers.

Orange Icing

¼ pound butter (thoroughly creamed); 1¾ pounds powdered sugar; juice of 2 small lemons in orange juice to make it "nippy." Beat well.

It is time for preserving and Mrs. L. Lemon sent in the following:

PEACH AND ORANGE PRESERVE

2 dozen peaches
4 oranges
1 pound sugar for each pound fruit

Slice peaches, grind oranges whole. Cook 1 or 1½ hours.

RHUBARB, PINEAPPLE AND STRAWBERRY JAM

1 quart diced pink rhubarb
2 quarts strawberries
1 quart diced pineapple
6 pounds sugar
3 pints water

Wipe and cut rhubarb with a very sharp knife so that the pink skin may all be preserved, yet not in strings. Hull and carefully wash the berries and dice the pineapple. Boil the sugar and water togehter for 12 minutes. Add the pineapple, strawberries and rhubarb. Simmer ½ hour. Turn into sterilized glasses and seal.

CHERRY DELIGHT

4½ pints fresh ground cherries (pitted)
2 pints ground pineapple
8 pints sugar
1 pint water

Mix all together, divide into small quantities and cook each 25 minutes; fill jelly glasses and, while hot, cover with paraffine.

BOUQUET SALAD
(From the Farmer's Wife)

On a large serving plate arrange nests of crisp lettuce. Place half a pear on each. Fill the centers of each pear half with your favorite salad dressing. Garnish each mound of dressing with black Bing cherries and fresh strawberries.

The aircraft carrier Ranger will sail on August 2 for maneuvers in the Puget Sound Alaskan area.

Announce Activities For Nazarene Church

N. M. Lewis, pastor of the Grace Church of the Nazarene, Vista and Santa Barbara avenues, has announced the weekly calendar of activities for the congregation and its friends.

The program follows:

Sunday school will meet at the regular hour, 9:45 a. m. Classes for all ages.

Morning worship at 11 o'clock. The pastor will preach. Subject for the morning discourse will be "The Palm Tree Experience."

The church in training, N. Y. P. S., will meet at 6:45 p. m.

Evangelistic service at 7:45 p. m., the pastor in charge.

Midweek activities: Monday night, Sunday school council meeting; Wednesday night, prayer meeting; Friday night, choir practice. The Boy and Girl Scouts will meet at their usual times and places.

Dogs." It is a translation of the German "Teufel Hunden," or fierce fighting dogs of legendary origin, and the term is supposed to have been a compliment to the fighting qualities of the sea soldiers from their erstwhile foes.

Most Marines prefer the nickname "Leatherneck," a term which harks back to the time the sea soldiers wore stiff leather collars or stocks, a part of their uniform which was abandoned more than 50 years ago. Many of these descriptive titles became virtually obsolete at the close of the war, but doughboy, bluejacket and leatherneck have stood the test of time.

Chrysler Sales In Tenth Place

Latest registration figures show that Chrysler sales nationally have climbed up to tenth place in the United States, according to the manager of the Mission Auto Co., Chrysler-Plymouth dealer here.

"Chrysler's invasion of the low-priced field this year with the new Chrysler Royal has been directly responsible for a phenomenal increase in registrations throughout the country. The Chrysler plant, in spite of recent shutdowns, expects to produce nearly double the number of units this year that were produced during 1936.

"The new low priced Chrysler Royal, naturally, has formed the bulk of these increased registrations. It has brought a new standard of motor car performance to automobiles in this price class, principally through the new 100 H. P. Gold Seal Engine, with its unusual smoothness and economy. Owners report from 18 to 24 miles to the gallon under all driving conditions."

He states that the usual seasonal decrease, normally felt during the summer months, had not affected his current sales.

NEW PRODUCTION AT THE ALCAZAR ROLLICKING ONE

Declared By Critics To Be One Of Best Ever Staged At Popular Playhouse

A new era in Federal Theater productions dawned last week when, after an incisive cut of 115 persons from the rolls of the Federal Theater Project in San Francisco, the Alcazar, home of the project, staged the justly famous "The Pursuit Of Happiness."

To the amazement of local critics the play was good. In fact, it was so good that they said so in unmistakable language, as per se, the reviews in the four top line dailies of the city.

It remained, however, for Wood Soanes of the Oakland Tribune to recognize the talent that walked the stage on the opening night as some

ing deposits for their money are arranged.

The above are the principal changes in CCC selection procedure. The old principles covering citizenship, character, history and former service remain the same.

With the advent of the new program and even more comprehensive educational program will be pursued. At present there are over 100 subjects available, ranging from elementary school subjects to vocational training in stenography, bookkeeping blue print work, photography, elementary law, mechanics, Diesel engines and aeronautics. CCC training resulted in over 40,000 young men being selected from the ranks in 1936 for profitable jobs in commercial fields.

Applications for the July enrollment can be filed with Mary B. Hogue, Social Service Supervisor, whose office is located at 430 Peninsula avenue, San Mateo, Calif.

California Congress Of P. T. A. To Meet

The state board of managers of the California Congress of Parents and Teachers will convene in Oakland, July 12 to 14, inclusive, with headquarters at the Hotel Oakland. This was changed from San Francisco due to the strike in the hotels. Mrs. B. C. Clark, president, will preside at all sessions of the board meeting.

Three days prior to the board meeting, Mrs. Clark will have as her house guests Mrs. James K. Lytle, first vice president; Mrs. Stephen Gould, chairman of finance and budget, and Mrs. J. Stuart Moore, parliamentarian.

At this meeting the standing committees will be appointed.

PLENITUDE OF DOMINO BLEND IS DESIRABLE

By J. W. MARCHBANK

Disguise was twenty-three years old when he procreated King Heather. Commando, another famous son of Domino, only lived to be seven years old. Otherwise he might have been doing worthwhile things in the breeding paddock at what most people consider a ripe old age for horses. The factor that sets the thoroughbred apart from all other breeds, light and heavy, is his power of reproducing as good as himself, or even better, when well along in years.

I like the looks of the foals at Heather Farm this season better than ever before. There are six colts and six fillies. When it comes to conformation it is almost impossible to fault them. In blood lines they compare favorably with the babies at any haras in the country.

The abundance of the Domino strain in the youngsters pleases me mightily. In some it is found on the topside of the pedigree; in others on the distaff side. Eight of the 1937 crop are by Sweepster and, as every one knows, Sweepster is a son of Sweep. True enough, Sweep is by the Kentucky Derby winner Ben Brush; but he is from Domino's daughter, Pink Domino. Incidentally Ben Brush won the Louisville stakes the first time it was reduced from twelve furlongs to ten furlongs.

It may have been a mistake to change the distance of the three year old feature principally because the abbreviated route does not furnish as good a line on the stamina of the contestants, but we'll go into that question some other time.

It was my intention all along to afford the best of opportunities to daughters of King Heather as matrons. So it happens two-thirds of the dozen of foals this year are by the "King." As will be recalled my premier stallion is not only by Disguise, but from Antrim and Antrim is by Celt, a grandson of Domino through Commando. Four free generations to such an established progenitor as Domino cannot be surpassed.

Americans Defeat Nationals In Annual All-Star Contest

Driving to an easy victory, the All-Star team of the American League trounced the Nationals' All-Stars, 8 to 3, at Griffith Stadium in Washington, D. C., while more than 31,000 spectators, including President Roosevelt, witnessed the game. Joe Di Maggio got the first hit for the Americans when he drove Dizzy Dean's fast ball to center for a single in the second inning. Photo shows Herman, National League, out at second base in the first inning. Gehringer (No. 2) is covering the bag.

evidently liked—in a day agone when the Alcazar "was the pillar of dramatic stock, the cast a familiar one."

"The Pursuit Of Happiness" is a that he had seen elsewhere—and gay romantic comedy. It is by Lawrence and Armina Marshall Langner, those upper crust sophisticates of the Theater Guild of New York. In this case the Langners have leaned heavily on history and compacted more laughs to the minute than in anything else they have done. "The Pursuit Of Happiness" has everything that goes to make good theater entertainment. There is love, romance, comedy fact and fiction so cleverly woven as to leave one in wonder as to where the one ends and the other begins.

George Bernard who directed the play, must have delved into a goodly experience in psychology when he cast it. An experienced director and a keen judge of the capabilities of stage folk, Bernard has done an A-1 job of selection. Background stands out in each of the eleven roles; theater background.

Put this play on your "must see" list. It's a rollicking, gay comedy. It will take years off the shoulders—and the mind. It will carry you back to the time when theater was theater and not just another evening. Dont miss it.

the county. The annual pageant will be entirely in Spanish costume and setting.

The president of the Fiesta commissioners has announced that the pageant this year will tell the story of and depict the early day history of San Mateo county.

Two picturesque waterfalls will be installed in the downstairs section of the large Bay Meadows pavilion, each surrounded by beautiful landscape, the splendor increased by attractive lighting effects.

MANY EXHIBITS

The agricultural exhibits will occupy the entire upper section of the grand stand building. The clubhouse will be arranged entirely different from last year with new and novel decorations.

Two entrances to the grandstand will be provided, one at the north and another at the south end. The walkways will be lined with flowers and displays with the exits conveniently arranged so that visitors may reach different sections without the inconvenience of pushing through the large crowd.

EASES STEERING ILLS

Having the front wheels realigned and having the spring clips and U-bolts tightened may be the answer to the motorist's delemma over difficult steering, says an authority.

Either of these will contribute to harder steering, although that fact sometimes eludes the car owner.

Signals Important

Making a hand signal in traffic requires little brain power and still less physical energy. Yet some drivers don't bother to signal at all. They are either too preoccupied, or perhaps too lazy—mentally and physically—to let the driver behind them know what their next move is going to be.

Learn and use the hand signals required by law. Use them when stopping, pulling away from the curb or turning. Remember, the man behind you is not a mind reader.

Signal when necessary—and always give the right signal.

BATTERY FAILURE

Long use of the battery while the car is standing—such as for radio, camp lights and other purposes on vacation trips—frequently runs it down to a point where there is not enough energy to start the motor.

There may be enough to give a spark but cranking by hand will be necessary to turn over the motor. A wise plan on such trips is to take along an extra battery.

Colma News Notes

While earnestly watching operations at the gravel plant near Colma, Earl Mattes, 11 year old son of Mr. and Mrs. Clyde Mattes of Vernon avenue, lost his balance and fell into a pile of rock, Thursday of last week. The lad was taken to the Villa Sanitarium and treated for a two inch scalp wound.

Miss Flora Tambusio of Dunk street accompanied members of her family on a motor trip to the Russian River, where a delightful holiday week end was enjoyed.

Miss Dorothy Fuchs of Station avenue returned, Sunday of this week, from the Childrens Hospital in San Francisco, where she recently underwent an operation for the removal of appendix. She is reported getting along nicely.

Misses Ruth Greene and Marjorie Fuchs, Ray Greene and son Don and Mr. and Mrs. Frank Cresta and son Bud were among those who spent an enjoyable week end holiday at Kings Mountain.

Mr. and Mrs. William Fuchs and daughters Dorothy and Marjorie of Station avenue left, Thursday morning of this week, for Santa Cruz, where they will spend a vacation.

Morris Herscowitz, grocer, of Parkview avenue was treated at the Villa Sanitarium, Friday of last week, for an injured thumb received while operating a slicing machine.

Mrs. M. Fontana of Station avenue is up and around again following a lengthy illness which has kept her confined to her home.

Henry Schiutto of Station avenue, accompanied by Homer Lucas, motored to Santa Cruz, Sunday of this week, where they spent the day.

A group consisting of Alexander Chiappari, Fred Balleto, Vic Sanguinetti and Americo Vallarino motored to the Russian River, Saturday evening of last week, where they enjoyed the week end.

James Matteuchi of School street left, Wednesday of last week, to spend his summer vacation in Gilroy as the guest of his aunt, Mrs. Peter Fravi.

Mrs. C. Benedetti and baby daughter Carol Ann are reported much improved following a week's illness which has kept them confined to their home on Clara street.

Alvina Jost accompanied friends on a motor trip to Fresno, Saturday of last week, where they enjoyed the holiday week end.

Friends of Mr. and Mrs. A. Blumenthal have received word of their enjoyable trip to Wisconsin where they visited friends and relatives. They are expected to return, Sunday of this week.

Miss Alma Camenzind of Bryant street returned, Thursday of last week, from Vallemar where she was a guest for a number of days at the home of Miss Jean Champi.

An election to determine whether the Colma fire district should be retained or dissolved will be held, Tuesday, August 3, in the district thus affected.

A party of young Colma people motored to San Mateo, Thursday evening of last week, where they enjoyed a horse back trip. Those attending were Mrs. Inez Klemme, Misses Jean Champi, Alvina Jost, Alma and Betty Camenzind, and Theresa Dell 'Amico, and Rico Bolentini, Silvio Perada, Charles Camenzind, Dr. T. H. Paoli, John Pitcher, and Benny Haubrich.

Miss Theresa Dell'Amico was hostess to a large group of friends, Sunday evening of this week, at a garden barbecue party held at her home on Clara street.

Cypress Circle No. 14, U. A. O. D., will hold a regular meeting, Wednesday evening of next week, at Colombo Hall. Following the business session, refreshments will be served.

Mrs. Mary Rancatore and family of San Francisco were dinner guests, Wednesday of this week, at the home of Mrs. D. Rovere on Briggs street.

F. Giusti of South Park avenue was treated for an injury to his right hand, Wednesday of this week, at the Junipero Serra Hospital. The accident occured while the man was operating a water pump.

Mr. and Mrs. H. Siemund and daughter Miss Louise and son Leo motored to Santa Cruz, Sunday of this week, where they spent a delightful day.

Joseph Delucchi of Clara street is recovering from a number of badly burned fingers as the result of holding a fire cracker which looked as if it weren't going off after all. The accident occurred, Monday of this week.

The Colma Volunteer Fire Department and Daly City Co. No. 6 responded to two fire alarms during the past week. The first fire was reported, Friday morning of last week, at a house at the corner of School street and Werner avenue and was extinguished before it became serious. The roof of the building, owned by Frederico Mutto, was ignited from a defective flue. The second fire of undetermined origin broke out in the buildings of an abandoned hog ranch in the Colma east end district formerly occupied by G. Laveroni. Lack of available water hampered firemen, who directed their efforts to confining the blaze to the old buildings which were completely destroyed.

Horses From Kansas For County Show

Nine or ten of the best equine performers in the Middle West will compete in the forthcoming San Mateo County National Horse Show. Word was received this week from Mrs. Chester A. Michael of Kansas City, owner of a horse stable of national fame, that she is sending her champion stock to enter the event here.

Mrs. Michael, who entered her string of blue ribbon winners in the summer circuit of Pacific Coast horse shows last year, was an outstanding winner in the San Mateo National last year, according to the local manager.

The horses she is bringing to the eleventh annual San Mateo National, to be held August 7 to 14 at the Menlo Circus Club in Atherton, is believed to be "the best string I have ever taken out," she announces.

With noted stables entered in the show from other states and the equally celebrated stables of the Pacific Coast, competition is expected to be unusually keen as well as difficult for the group of nationally famous judges who will tie the ribbons at the tanbark event.

The show is expected to be one of the best in a history of brilliant tanbark performances at the Menlo Circus Club, with countless new equine stars competing for trophies and $10,000 in money awards.

Scores of volunteers helped firemen combat a $100,000 planing mill blaze at Sacramento this week and were awarded with free beer. The fire, which destroyed the mill, endangered an adjoining brewery where beer was distributed to the firefighters.

Coast Widow Escapes Death-Home Burns

Awakened by flames that crackled through her home, Mrs. Mabel Day, middle aged widow of Edgemar, on the San Mateo County coast, escaped with her life last week end, but lost her house, her clothes and her furniture.

She had to stand by helplessly and watch while fire made the house an inferno too hot for even a bucket brigade to approach.

In the isolated little beach community there was no way to get prompt aid. The house was located just off the coast highway.

The county fire department under Fire Warden Bert Werder, which might have been able to halt total destruction of the house if notified immediately, was not informed of the fire until the house was already destroyed.

Mrs. Day, in a borrowed dress and a pair of shoes loaned to her by a neighbor, expressed thankfulness that she was alive.

"I was asleep in the house, alone, when suddenly I heard a crackling," she related.

"Then I smelled smoke, and soon it seemed the whole house was ablaze.

"All I could grab was a blanket. I didn't even have time to reach my clothes.

"And it was in my nightgown, and wrapped in the blanket, that I had to watch my house burn," she said.

She said she had no idea how the fire started, but thought it began in the attic. The damage was estimated at $2500.

Jimmy Lyones, 25, this week began serving one of the most severe sentences ever given in San Diego on the charge of drunken driving. He will serve two years in the county road camp. Lyons was convicted twice previously for traffic violations.

Laveroni Hog Ranch Destroyed In Blaze

Firemen from the Colma Fire Department and Companies 1, 2, 3 and 6 of the Daly City Fire Department fought a fire of mysterious origin which swept an abandoned hog ranch, owned by Laveroni, in the foothills near Colma, early Tuesday morning of this week.

Two large barns and several pens were leveled in the spectacular blaze, despite the efforts of firemen. Loss was estimated at several thousands of dollars.

Anxiety lest the blaze ignite the grass in the vicinity and creep to the cover on the new Daly City reservoir No. 3 proved the only fear in the fight. Men from the Water Department were in readiness to combat the fire should it spread up the hill.

A. J. Bodien reported there was no basis for the arson rumor circulated shortly after the blaze. The property was not insured.

Jefferson High P.T.A. Has Been Active

The Jefferson Union High School P. T. A. will hold the next executive board meeting at the home of Mrs. Stella Jensen on August 4. At this time the budget will be discussed and plans made for the new term.

At the state convention, held in Pasadena in May, the Jefferson Union High School was awarded two blue ribbon certificates, one for making the standard and one for program.

The high school is well represented on the district executive board this year, with Mrs. Stella Jensen, fourth vice president; Mrs. Pearl Jones, radio chairman; Mrs. Lena Hollingsworth, art; Mrs. Edith Barker, registration, and Mrs. George Woodside, membership.

The Road Is Uphill Again

Executives of the California Housewives' League have been getting together this week with leaders of ladies union auxiliaries, the common objective being a protest against the recent one cent increase in the retail milk price. There is irony in that particular situation, for increased labor costs were factors in the equation which produced the price boost, but there is no humor at all in the progressively higher cost of living which the milk rate illustrates. That the advance in living costs is no myth of inflation-alarmist origin, many a housewife's budget can testify.

Prices in general have risen 2.8 per cent during the past twelve months. Rent has gone up 1.5 per cent, clothing 3.1 per cent, household furnishings 4.9 per cent. Food prices head the list. They are 5.7 per cent higher than they were a year ago, and still going up.

Miss Giovanelli Honored At Shower

Miss Flora Giovanelli was feted at a bridal shower given, Thursday evening of last week, by Mrs. A. Bianchini at her home on Vale street.

Miss Giovanelli, who will become the bride of Anson Bianchini the latter part of this month, received a host of beautiful gifts.

Following a pleasant evening refreshments were served to the 33 guests present at the table beautifully decorated in white, orchid and pale green. An electrically lighted altar piece occupied the center. Three shallow bowls of gardenias completed the lovely picture.

BUSINESS MEN OF DALY CITY OUTLINE PICNIC

Annual Affair To Be Held At Oak Cove Park August 1

(Continued from page 1)

ment, C. Williamson, W. E. Pitschke and P. Selmi.

These committees will strrt work immediately on details of the picnic.

A proposed Sunday closing ordianance which was circulated with a petition to members of the association last month and which is now in the hands of the ordinance committee of the city council was discussed.

Plans were completed for selling advertising in a program for the Daly City Band concert to be held July 17 at the high school auditorium. A. Milo, chairman; G. Brenner, bandmaster; C. Williamson, P. Peterson, A. Vireno and E. Graziani were appointed on a committee to sell advertising and arrange for printing and distribution of the programs.

A bill to give every member of congress 2500 free copies of a little book entitled "The Story of the Constitution" was sent to the senate this week bearing house approval.

DEATH TOLL IS 589 ON SAFEST SANEST JULY 4

Actual Fatalities And Hurts Fall Below Estimates Of Safety Council

(Continued from page 1)

tistics had anticipated 900 deaths, on a basis of 1936 figures.

A comparison showed:

	Predicted.	Actual.
Drownings	300	143
Traffic	500	305
Fireworks	75	5
Miscellaneous	.....	136

Coroner and police officials said traffic, health and fireworks campaigns, through newspapers, were responsible for most of the reduction. Rainy weather, which dampened celebrations in some sections of the country, reduced highway traffic and discouraged swimming and boating, aided.

The safety council estimated 20,000,000 automobiles crowded onto the highways of the nation. Hundreds of thousands fled to vacation land lakes for fishing, boating and swimming parties. In cities, falls, suicides and murders added to a "miscellaneous" death toll of approximately 100. The safety council had expected 75 deaths from accidental falls.

Colma Fire District Gains Local Favor

"The people of Colma are becoming conscious as to their fire district issue," it was announced this week by a member of the Board of Fire Commissioners.

Installation of water mains and hydrants, paid commissioners and paid firemen are not included in the program and are beyond the power of the commissioners to control. Certain misunderstandings as to these facts have caused much concern among Colma residents. The misunderstandings led to circulation of a petition to dissolve the fire district.

A public mass meeting will be called by the Board of Fire Commissioners late this month to inform the people of Colma as to details of the proposed district program.
